Description Jamun T3 Historic FF1600 project. Restored chassis and suspension and can be supplied with new bodywork in a colour of your choice. A gearbox is included. Currently requires engine, instruments, radiator, fire system and seatbelts. Under rebuild now. These are quick cars and are eligible for any FF1600 race. Will suit taller drivers too. This car has known history. All parts readily available. Contact info@pamotorsport.com for more details
